

Venue address:

Computer Cluster 515
West Medical Building
Gilmorehill Campus
University of Glasgow
G12 8QQ

MAP

The **West Medical Building** is in a complex of three buildings, marked as B2, B10 and B1. The best entrance to use is the one for B10 which is marked above. The computer cluster is at the top of the stairs, and the registration desk and courtyard are to the right as you go in.

THE REGISTRATION DESK IS TO THE RIGHT AS YOU GO IN

Click here for a full map of the campus: http://www.gla.ac.uk/media/media_1887_en.pdf

HOW TO GET THERE

From the city centre it would be easiest to get the tube to the west end. You can access the Campus as follows:

- From Dumbarton Road (Tube station Kelvinhall), the entrance marked as South Gate is just next to the entrance to the Western Infirmary.
- From Byres road (Tube station Hillhead) the easiest thing would probably be to come along University Avenue and enter at Botany Gate, near the Bower Building, and then to follow the map down towards the building complex.

There are various busses from the City Centre that stop on University Avenue.

The University also has these details online; <http://www.gla.ac.uk/about/maps/howtogether/> and a map showing the tube and rail stations http://www.gla.ac.uk/media/media_1888_en.pdf
